zehnder *HW87*

zehnder

Thanks to the varied range of models, the zehnder HW87 can be integrated into any living space. A robust, anti-ligature, flat panel radiator; it is available as a horizontal or vertical model, with or without fins, and in a wide selection of colours.

Technical Data

Length (100mm increments): H, HL, HH - 500 to 2000mm
 HLH, HLHL - 500 to 6000mm
 Height (70mm increments): H, HL, HH - 70 to 1680mm
 HLH, HLHL - 350 to 840mm
 Depth: 38 to 126mm
 Operating pressure: max. 5 bar
 Operating temperature: max. 120°C

Options

Standard finish RAL 9016 white
 Available in over 60 colours including trendy, metallic and quartz
 Wide choice of connections
 High pressure installation available
