**IMPACT RESISTANT**  
The combination of a solid, homogenous core with a hard surface based on melamine resins gives Trespa Athlon exceptional impact resistance.

**SCRATCH RESISTANT**  
The special surface structure and durability provide excellent scratch resistance. Even in heavy-duty use, Trespa Athlon retains its appearance for a very long time.

**MOISTURE RESISTANT**  
Trespa Athlon is not adversely affected by moisture and is not susceptible to discolouration, mould or rot.

**ENVIRONMENTAL CONSIDERATIONS**  
Life Cycle analysis and reports by independent third parties confirm that Trespa products impact the environment less than alternative materials.
