TOMORROW'S INSULATION TODAY

ACTIS CASE STUDY 2011

Princes Drive, Skipton

Princes Drive, Skipton

60 M² of TRISO-SUPER 10 was installed in August 2011 in an over rafter application in this home extension project.

TRISO-SUPER 10 was supplied by Merritt & Fryers, Skipton.

The product was installed by Steadman Construction Ltd.

TRISO-SUPER 10 was chosen for its space saving qualities and because the project had a strange shaped roof.

Steadman Construction would recommend TRISO-SUPER 10 as it was found to be clean and easy to use.
