

# WROUGHT IRON

The Wrought Iron Range is based on traditional copies of period pieces. Each item is hand forged and finished with a coat of Bees wax, a traditional finish which enhances the rich dark brown lustre. No two pieces are alike and the sizes and the finish of this product may vary to a small degree.

These items are not recommended for exterior use unless properly maintained.

**Code BJ061**  
Plate 120mm dia  
Ring 100mm

Oxford Door Knocker

**Code BJ062**  
Size o/a 307x115mm  
Aperture 218x50mm  
Bolts 270mm c/c

The electrical accessories have a very similar but not identical finish to the wrought iron range, as they are manufactured in a different factory. The difference will be nominal and will compliment door and window fittings to provide an attractive uniform feel to the room.

Call TBKS for further details.
