HELP PEOPLE LIVE BETTER

## Introduction

Welcome to the Finnish way of life – a slower pace. Simplicity, connection with nature and a strong sense of community form the roots of the Nordic existence. Sauna360 has brought health and wellbeing to people all over the world for more than 100 years.

With innovative technology, smart functionality and beautiful Scandinavian design, Sauna360 elevates the everyday sauna experience.

Statistics show that Finnish people are the happiest in the world and it is easy to see why. As a vital daily part of Finnish wellbeing, our brands have brought families and friends together to unwind and connect since 1919.

# Superior Craftsmanship

and authentic Finnish Design...

At Sauna360, we've redefined the sauna experience by blending the timeless essence of Finnish sauna culture with sleek, modern aesthetics. Our new sauna rooms are designed to bring the authentic Finnish tradition into today's lifestyle.

Each room is crafted for comfort, simplicity and a sense of calm, from the compact S model to the spacious XL. With walls crafted from Nordic spruce, soft LED lighting and benches made of warm aspen, every detail invites you to slow down and unwind.

Each Hanko Sauna Room is designed to fit beautifully indoors and create a perfect balance between modern design and traditional atmosphere. The combination of glass surfaces and natural wood materials gives a light, spacious feeling while preserving the quiet privacy of a true sauna.
