TOMORROW'S INSULATION TODAY

ACTIS CASE STUDY 2011

## Trawfynydd Holiday Village, Gwynedd

November 2011

### Chalet 191, Trawfynydd Holiday Village, Gwynedd

Refurbishment of Log Cabin using 50m<sup>2</sup> of TRISO-SUPER 10 in an over rafter application.

TRISO-SUPER 10 was supplied by Minster Insulation in Winsford, Cheshire.

TRISO-SUPER 10 was installed by the onsite maintenance team.

Mr Roberts from the holiday village chose to use a multi-foil product to achieve the maximum insulation performance without raising the roof height.

Mr Roberts would recommend and use TRISO-SUPER 10 in other chalets on the site that are in need of refurbishment as there was very little work involved.
