Protective Finish

The A-Fence is coloured using the Qualicoat powder coating finish. Qualicoat is a quality label organisation committed to maintaining and promoting the quality of coating on aluminium and its alloys for architectural applications.

Installation

A-Fences simple fixing system with minimal parts allows for speedy installation on-site.

Construction

The A-Fence is constructed completely from 100% aluminium (6063 T6 grade), up to 67% of which has been recycled to make these joists eco-friendly and much better for the environment.

Maintenance

Due to the fact that AliRail is aluminium and finished using the 7 stage Qualicoat system, little or no maintenance is required. General grime can be removed simply with a damp, lint-free cloth or mop with warm soapy water.

Colour Options

Available finishes include our 2 standard colours, (RAL 7016 & 9005) all in a sleek powder-coat, providing a range of aesthetically pleasing options to suit any property.
