

# Alena<sup>540</sup>

SE ALE F 760 F60 XX 54

Double-length seat with slats manufactured in 2500mm and 1250mm lengths to provide a staggered joint detail, made from untreated long-lasting FSC-certified hardwood, which will weather to a natural silver-grey patina.

Concrete feet free-stand on finished floor level (the middle leg is shorter, to fit under the slats).

The design is protected via German Patent and Trade Mark Office (DPMA): design register number 40 2012 004 645.0.

Backrests can be added as required in 880mm or 1380mm lengths, positioned in line or on opposite sides.
