

## **Technical Data**

In-situ floor finishes: AltroSeal, AltroCoat, AltroTect, AltroShield Seal, AltroScreed, AltroCrete EP

### **Composition and manufacture**

AltroSeal: polyurethane seal, UVR, clear, single pack.

AltroCoat: two-pack, water-dispersed epoxy finish.

AltroTect: two-pack, high-build, solvent-free epoxy finish.

AltroShield Seal: two-part solvent, low-viscosity, epoxy-resin coating.

AltroScreed EP is an epoxy-resin based mortar compound.

AltroCrete EP is a solvent-free, epoxy-resin binder with graded aggregate based on calcined flint.

AltroScreed Quartz is a solvent-free, resin binder with graded colour-quartz aggregates.

### **Coverage**

Dependent upon system.

### **Appearance**

Available in a range of 16 standard colours, plus 4 safety colours; others available for orders over 200kg.

AltroScreed Quartz is available in 12 decorative colour combinations.

### **Sitework**

Applied by specially-trained applicators backed by a technical advisory service.
