

Warranty Statement

Warranty

If within 12 months from the date when the goods are delivered any defect appears in such goods whether arising from faulty materials or poor workmanship Safety Fabrications Ltd undertakes to remedy the defect either by replacement or repair provided that:

- a) Full details of such defect are notified to Safety Fabrications Ltd in writing as soon as the defect is identified.
- b) The installer / customer allows Safety Fabrications Ltd reasonable access at any time during normal business hours to the defective part or at Safety Fabrications Ltd discretion returns the goods to Safety Fabrications Ltd.

BUT this warranty SHALL NOT APPLY to the following:

- i. Defects resulting from fair wear and tear, misuse, neglect or failure to carry out the maintenance procedure recommended by Safety Fabrications Ltd.
- ii. Defects in goods which have been modified by someone other than Safety Fabrications Ltd.
- iii. Defects in goods on which identification numbers or marks have been altered or removed.
- iv. Defects in goods resulting from the use of a part or attachment or equipment fitted by someone other than Safety Fabrications Ltd or an installer approved by Safety Fabrications Ltd.
- v. Where, without the prior approval in writing of Safety Fabrications Ltd the Ascent product / Ascent system of products contains components which are not manufactured by Safety Fabrications Ltd.
- vi. If the total price of the goods was not paid by the due date of payment.

Note. The above should be read in conjunction with Safety Fabrications General Terms & Conditions of Trade (copy available by request)
