Dear Andrew

Direct line: 01923 665361

Re: Floating floor treatments for Robust Details separating floors

This letter lists your products that have been benchmark tested by external laboratories under the arrangements specified by Robust Details Limited and the test data verified by the BBA. Please note that this does not mean that the products listed have been through the BBA's full Approval process, involving factory production control, testing and site visits. For a listing of Agrément Certificates for acoustic insulation products please see www.bbacerts.co.uk

Product name	Floating Floor Treatment	Sub floor types
DECKfon Batten 70	FFT1
