

Cigarette Bins

Product Code: BSC208027

Product Code: BSO46

Product Code: BSS3004

Bailey Streetscene supply a wide range of cigarette bins that come in Aluminium, Stainless Steel and Steel.

Our range of cigarette bins are designed to encourage customers, visitors and employees to dispose of their cigarettes in a tidy and clean manner thus keeping the designated area free of butts and ash. They can also act as a fire deterrent as they are designed to only accept cigarette butts where as a normal litter bin could contain any number of flammable items. We offer Wall Mounted, Stand alone or Post Mounted Bins
