

Height Restrictors

Product Code: BSC802500

Product Code: BSC802300

Product Code: BSC802304

Bailey Streetscene's Height Restrictors are designed to restrict access to high sided vehicles such as HGV's and caravans. Swing height restrictors can be used where occasional entrance by high sided vehicles may be required for deliveries or refuse collections etc.

With various height limitations and various widths, Our car park Height Restrictors suit a wide range of applications.
