

Binga rund

BE BIN B 320 F60 1X 32

Circular bench available in customised sizes made from radial slats of untreated long-lasting FSC-certified hardwood, which will weather to a natural silver-grey patina.

Available as segments or as a full circle (minimal internal diameter 1000mm).

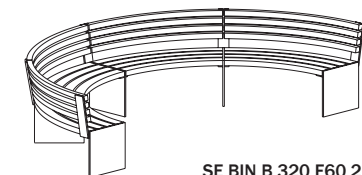

Galvanised steel legs, coated anthracite grey, fixed to foundations 150mm below finished floor level.

The design is protected via German Patent and Trade Mark Office (DPMA): design register number 40 2008 000 276.8.

Alternative colours are available on request.

Available with optional backrests.
