

## Technical Data

Window shutters: Charter-Integr8

### **Composition and manufacture**

Charter Specialist Security has technologically advanced manufacturing capabilities within a custom-built factory.

### **Appearance**

A design service is complemented by use of project-specific AutoCAD drawings, loadings and schedules. Aluminium shutters are polyester powder coated to RAL specifications.

### **Sitework**

Installation is completed by fully qualified on-site engineers covering the UK. The company offers an ongoing maintenance schedule as part of its after-care service.
