

Cube²²⁰

BE CUB S 567 F60 XX 21

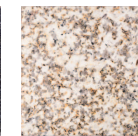

Double-width seat, 600mm deep by 2180mm long, supported by stainless steel tubes set into polished, black-grey granite (supplied via the Fair Stone Standard). Slats are made from untreated long-lasting FSC-certified hardwood, which will weather to a natural silver-grey patina. Free standing, with bases typically set approximately 50mm below finished floor level.

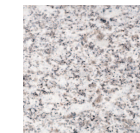

Alternative granite colours available on request:

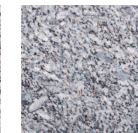

Pleasure black

Giallo Calabria

Campascio

Cornwall

Cinze Monte
