A Quick Guide to DAD UK Mailboxes

Heavy Duty

First anti-vandalism mailbox in the UK built in response to today's need for security while maintaining a stylish appearance.

Telescopic

Designed for use in masonry cavity walls either individually or grouped in multi-tenanted buildings requiring a collective delivery point.

One-Piece Frontplate

Most appealing for front delivery rear retrieval, either through cavity wall, glazing panel or a timber frame.

Freestanding Applications

For situations where space is restricted or wall cavity is not very deep, these boxes provide a well-designed flexible solution.

Wall Applications

Front delivery front retrieval boxes are mainly mounted onto or flush into the wall. Available for use internally or externally.
