Industrial door  
maintenance

**DORMA**  
SERVICE DIVISION

## DORMA

National specialists in  
service, maintenance,  
repair & installation  
of industrial doors

Industrial doors, including roller shutters, fire shutters, grilles, sliding and folding doors are often subject to punishing wear and tear. A damaged or neglected door can cause great inconvenience to your delivery and security systems, and result in a loss of revenue. Consequently they require regular service and maintenance to ensure that they are legal, safe and secure and operating efficiently.

- Fast response to repair
- Nationwide coverage
- 24 hour callout
- Local engineers
- Replacement shutters
- Full site surveys

DORMA also offer a range of maintenance programmes and 24 hour cover for automatic and manual doors.

DORMA are members of the Door Shutter Manufacturers' Association (DSMA).
