Welcome to Ecolec

Ecolec ® noise-free and space saving wall mounted radiant panel heaters and ceiling heaters, the solution for the whole home, office, shop, hotel, retirement home, care home, off-site accommodation, and self-build construction markets.

Simply measure the room, calculate the heat loss and select the heater, or let Ecolec ® advise you! The company's product range includes digitally controlled space-saving radiant panel heaters, splash-proof IP44 rated bathroom heaters, printed glass fronted radiators, mirror fronted radiators and coloured glass fronted radiators in Farrow and Ball colours or RAL colours and a unique range of ceiling heaters.

Ecolec ® range of heaters are available in pre-set temperature of

- A) 80° C Ceiling Range
- B) 70° C Standard Wall Mounted Range
- C) 55° C Safe to Touch Wall Mounted Range (IP44)
- D) 43° C LST Health and Safety Range (IP44)
- E) 43° C Bathroom Health and Safety Range (IP44)

Matched with digital controls

- A) Wireless comms – RX range
- B) Phone Comms – RZ range
- C) BMS systems – RZ range

electric heating and renewables  
together don't cost the earth
