SE EST F 320 F60 X1 20

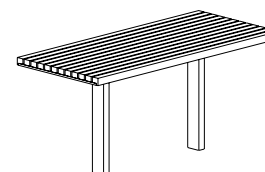

The seat has a curved profile for increased comfort. Slats are made from untreated long-lasting FSC-certified hardwood, which will weather to a natural silver-grey patina. The frame is made from galvanised steel, coated anthracite grey, with optional armrests.

The design is protected via German Patent and Trade Mark Office (DPMA): design register number 40 2010 000 840.5.

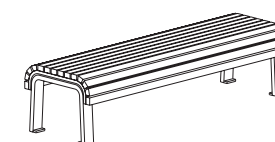

Alternative colours are available on request.
