

Frog & Fly

LB FRO R 320 320 AX 05

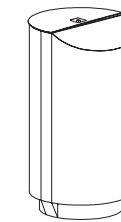

Frog litter bins have a single opening with 55-84 litre capacity. Options include floor, wall, column and post mounting with/without stubbing plates and ash-trays. The body which tips forward and locks for ease of rubbish removal is available with aluminium liners or bag-rings* for plastic bags. Manufactured in galvanised steel, coated anthracite grey, with the lid made from 4mm thick folded steel.

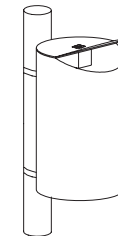

The design is protected via German Patent and Trade Mark Office (DPMA): design register number 406 05 733.8.

Alternative colours are available on request.

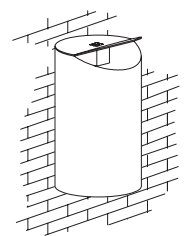

* Accessories to be ordered separately.

LB FRO F 320 860 AX 08

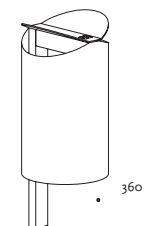

LB FRO C 320 XXX AX 05

LB FRO W 320 XXX AX 05

LB FLY R 320 320 AX 05

Fly is a cylindrical litter bin similar to Frog, but with an opening on either side.

All models are available with/without ash-trays.
