CUBICLES DESIGNED TO
COPE WITH THE RIGOROUS
DEMANDS OF HIGH USE
PUBLIC CHANGING AREAS

SPECIFICATION

Sizes

Cubicle sizes are tailored to suit your requirements. Self-supporting fully framed design.

Material

Manufactured from heavy gauge extruded aluminium. All panels are bonded and fixed to extrusions. All extrusions are smooth and circular which allows for easy cleaning.

Door

The door is manufactured from 12 mm solid grade laminate. All exposed edges are smooth and radiused. Easy to use door latch, turn action operation. The door is supported by 3 'Hewi' hinges, can stay open, closed or ajar when not in use.

Hooks

Single aluminium hook on the inside of the door.

Seat

Solid grade laminate with all edges profiled.

Accessories

Modesty panels, special fittings for disabled and family usage, baby change, wall panels etc.

Colours

Available to view on request for both doors and frames.

We're happy to match other specifications or bespoke requirements.
