

HOSPITAL SINK: G22010L

G22010L | 2000100269

ARTICLE GROUP : G22010 ++ | ARTICLE FAMILY : Lab sinks | PRODUCT GROUP : Hospital equipment

A double bowl / single drainer sink manufactured from 1.2mm thick, grade 1.4301 (304) stainless steel, satin polish finish. The sink top is turned down on all four edges and incorporates a wet area recess. The bowls are prepared for a 38mm waste. L or R refers to the handing of the drainer ie. left or right when facing front of unit.

NOTE: It is not possible to fit an overflow. No tapholes are provided therefore any taps top be fitted must be mounted onto the wall. This sink requires three brackets or three front leg supports.

HTM64 STANDARD

Left hand drainer

TECHNICAL DATA
