

# ARITCO 9000 PLATFORM CABIN LIFT

*The Aritco 9000  
Platform Cabin Lift  
is tailored for public  
spaces.*

## ABOUT

The Aritco 9000 cabin lift is a platform lift with a fully enclosed lift car. Single touch buttons and cabin enclosure provide users with the same experience as a conventional lift, but at half the cost. No machine room and quick installation make the 9000 an easy choice.

## BENEFITS

- Optimal design and size tailored to public environments
- Made using 95% recyclable materials
- Energy efficient through low power usage
- Patented screw/nut technology (no oil that can leak)
- Lowest maintenance and operating costs on the market

## FEATURES

- Glass or EI60 fire rated doors
- Shaft supplied with lift
- Glass or solid RAL panels
- Single press internal controls
- Internal busmatic doors
- 75mm ramp or pit

## SUITABLE APPLICATIONS

Ideal for public spaces such as retail environments, libraries and schools.
