

**StepSafe and Contour Factory Assembled Insulated Rooflights (FAIRS)**

The Company manufactures a full range of factory assembled insulated rooflights (FAIRS). FAIRS are produced to match most composite panel systems and all produced in combinations to comply with the non-fragility requirements.

**Guarantee**

Dependent upon their configuration the following service life guarantee periods apply:

- StepSafe APC top sheet 4.05 kg/m<sup>2</sup> – 30 years.
- Contour GRP top sheet 2.44 kg/m<sup>2</sup> – 25 years.

For full guarantee terms and conditions see page 1.7.

FAIRS may be supplied in lengths up to 6 metres. However, longer lengths may be produced if required. For further information please contact our sales office.

**Factory Assembled Insulated Rooflights**

When a price enquiry for factory assembled rooflights is made, the following information will be required:

- **The name/number of the profile pattern**
- **The grade and weight of material – i.e. StepSafe/Contour Factor 20 – topsheet or liner panel**
- **The approximate length of each unit in metres and the number of units required**
- **The depth (overall thickness) of each rooflight 'box' unit**

The price quoted by the Company will be based on quantity and cover width and then it is discounted accordingly.

The price will be based on standard weight materials with a combination of SAB 3 top sheet and SAA 1 liner panels.

Any difference in grade weight is surcharged accordingly.

StepSafe FAIRS carry their own price list, also based upon profile and quantity.

A 'Faxback' enquiry form is included for your convenience on the following page.

## Fax Enquiry Form for Factory Assembled Composite Rooflights

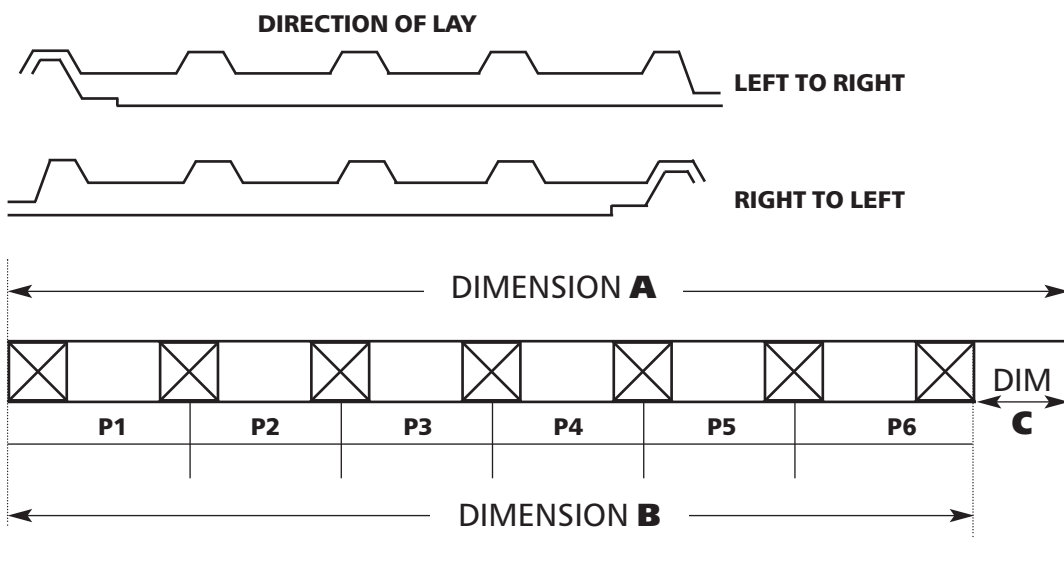

Photocopy this form, fill in your details and fax them to our enquiry desk, for an immediate quotation, on **01327 701929** (Rooflight Division).
