

# Certificate

## Indoor Air Comfort Gold

Ecophon Saga

*Certified Product*

Saint-Gobain Ecophon AB

Ytternägen, 265 03 Hyllinge, Sweden

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |  |  |
|--------------------------|----------------------------|--|--|
| - France VOC class A+    | - LEED (ACP)               | - Blue Angel DE-UZ 132                           | - Eco Product Norway                                 |
| - Germany (AgBB/ABG)     | - BREEAM New Construction  | - M1   | - SINTEF (Norway)                                    |
| - Italian CAM Edilizia   | - WELL Building            | - Danish Indoor Climate Label (Emission Class 1) | - Cradle to Cradle                                   |
| - EU Taxonomy Regulation | - SKA Rating               | - BVB (Sweden)                                   | - very low emitting products according to EN 16798-1 |
|                          | - French HQE certification | - Miljöbyggnad (Sweden)                          | - Singapore Green Label                              |
|                          |                            | - Nordic Swan                                    | - Global GreenTag                                    |
|                          |                            |  | - Declare 2.0  |

Issue date: 11 July 2024

Product type: Suspended (Acoustic) Ceilings

Validity date: 11 July 2029

Certificate number: IACG-400-20-02-2024

This certificate is valid as specified if regular surveillance and testing is done.

## Appendix to Certificate IACG-400-20-02-2024

Saint-Gobain Ecophon AB

receives the Indoor Air Comfort Gold certificate with validity 11 July 2029

for below product group, including subgroups and individual products as listed:

Product group: Ecophon Saga

Product type: Suspended (Acoustic) Ceilings

Products included:

Saga A,  
Saga A A2,  
Saga B,  
Saga B A2,  
Saga D,  
Saga D A2,  
Saga E,  
Saga E A2.

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
