# KWC LIVELLO

## **Just right**

KWC LIVELLO is a high-quality kitchen faucet that meets the highest expectations. A transverse body and clear use of forms characterise this innovation, which adds a welcome touch to sophisticated residential buildings.

## **Beauty in its place**

An image of timeless elegance: the side-operated faucet that presents itself as effortlessly and naturally as if it had always been there.

### Hygiene

The integrated Neoperl® Cache® is easy to remove using the key supplied – and can be cleaned in no time at all.

### Operation

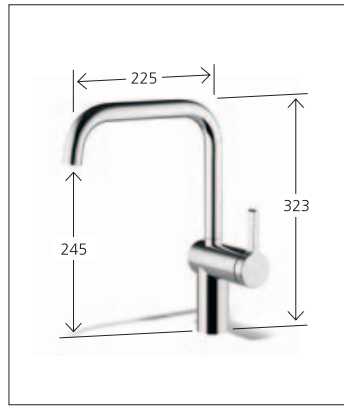

Simple aesthetics, well-conceived to the smallest detail: KWC LIVELLO is available in chrome or stainless steel, each version using a different design of operating lever.

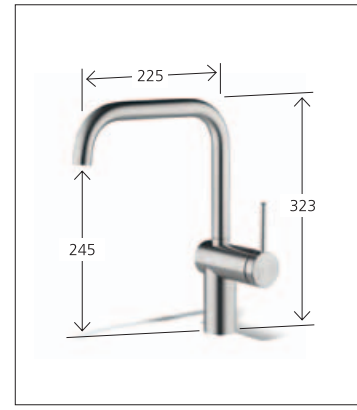

### Height

The elegant swivel spout offers great freedom of movement – and is ideally suited for filling pots, pans or vases.

Lever mixer  
 lever installation only possible on the right side  
 swivel spout 160°

**10.231.013.000** all chrome

### Design

The horizontal pull-out aerator gives KWC LIVELLO its uniqueness and profile.

### Length

The best recipe for success in the kitchen: the pull-out aerator that increases the range by up to 60 cm.

**EDELSTAHL**  
 STAINLESS STEEL

Subject to technical, range and model changes.  
 Dimensions in mm.

### **Elegance**

Practical, ergonomic, beautiful: the lever controls the water flow – and allows you to switch from cold to hot in one fluid motion.

### **Addition to the range**

KWC LEVELLO is a Swiss quality product for newly constructed or renovated properties – an inspiration for sophisticated real estate.
