COLLECTION

SAMUEL HEATH
since 1820

INTRODUCTION

**THE BAUHAUS SCHOOL
AND ITS APPROACH TO
DESIGN IN THE YEARS
1919-1933 HAS HAD A
PROFOUND AND LONG
LASTING EFFECT ON THE
WAY WE VIEW THE WORLD
AND THE OBJECTS WITH
WHICH WE CHOOSE TO
SURROUND OURSELVES.**

The development of Bauhaus unfolded in tandem with a time of great design and manufacturing creativity at Samuel Heath. It is this historic context which underpins the provenance, authenticity and authority of our Landmark collection.

CREATING HARMONY BETWEEN THE DESIGN OF AN OBJECT AND ITS FUNCTION

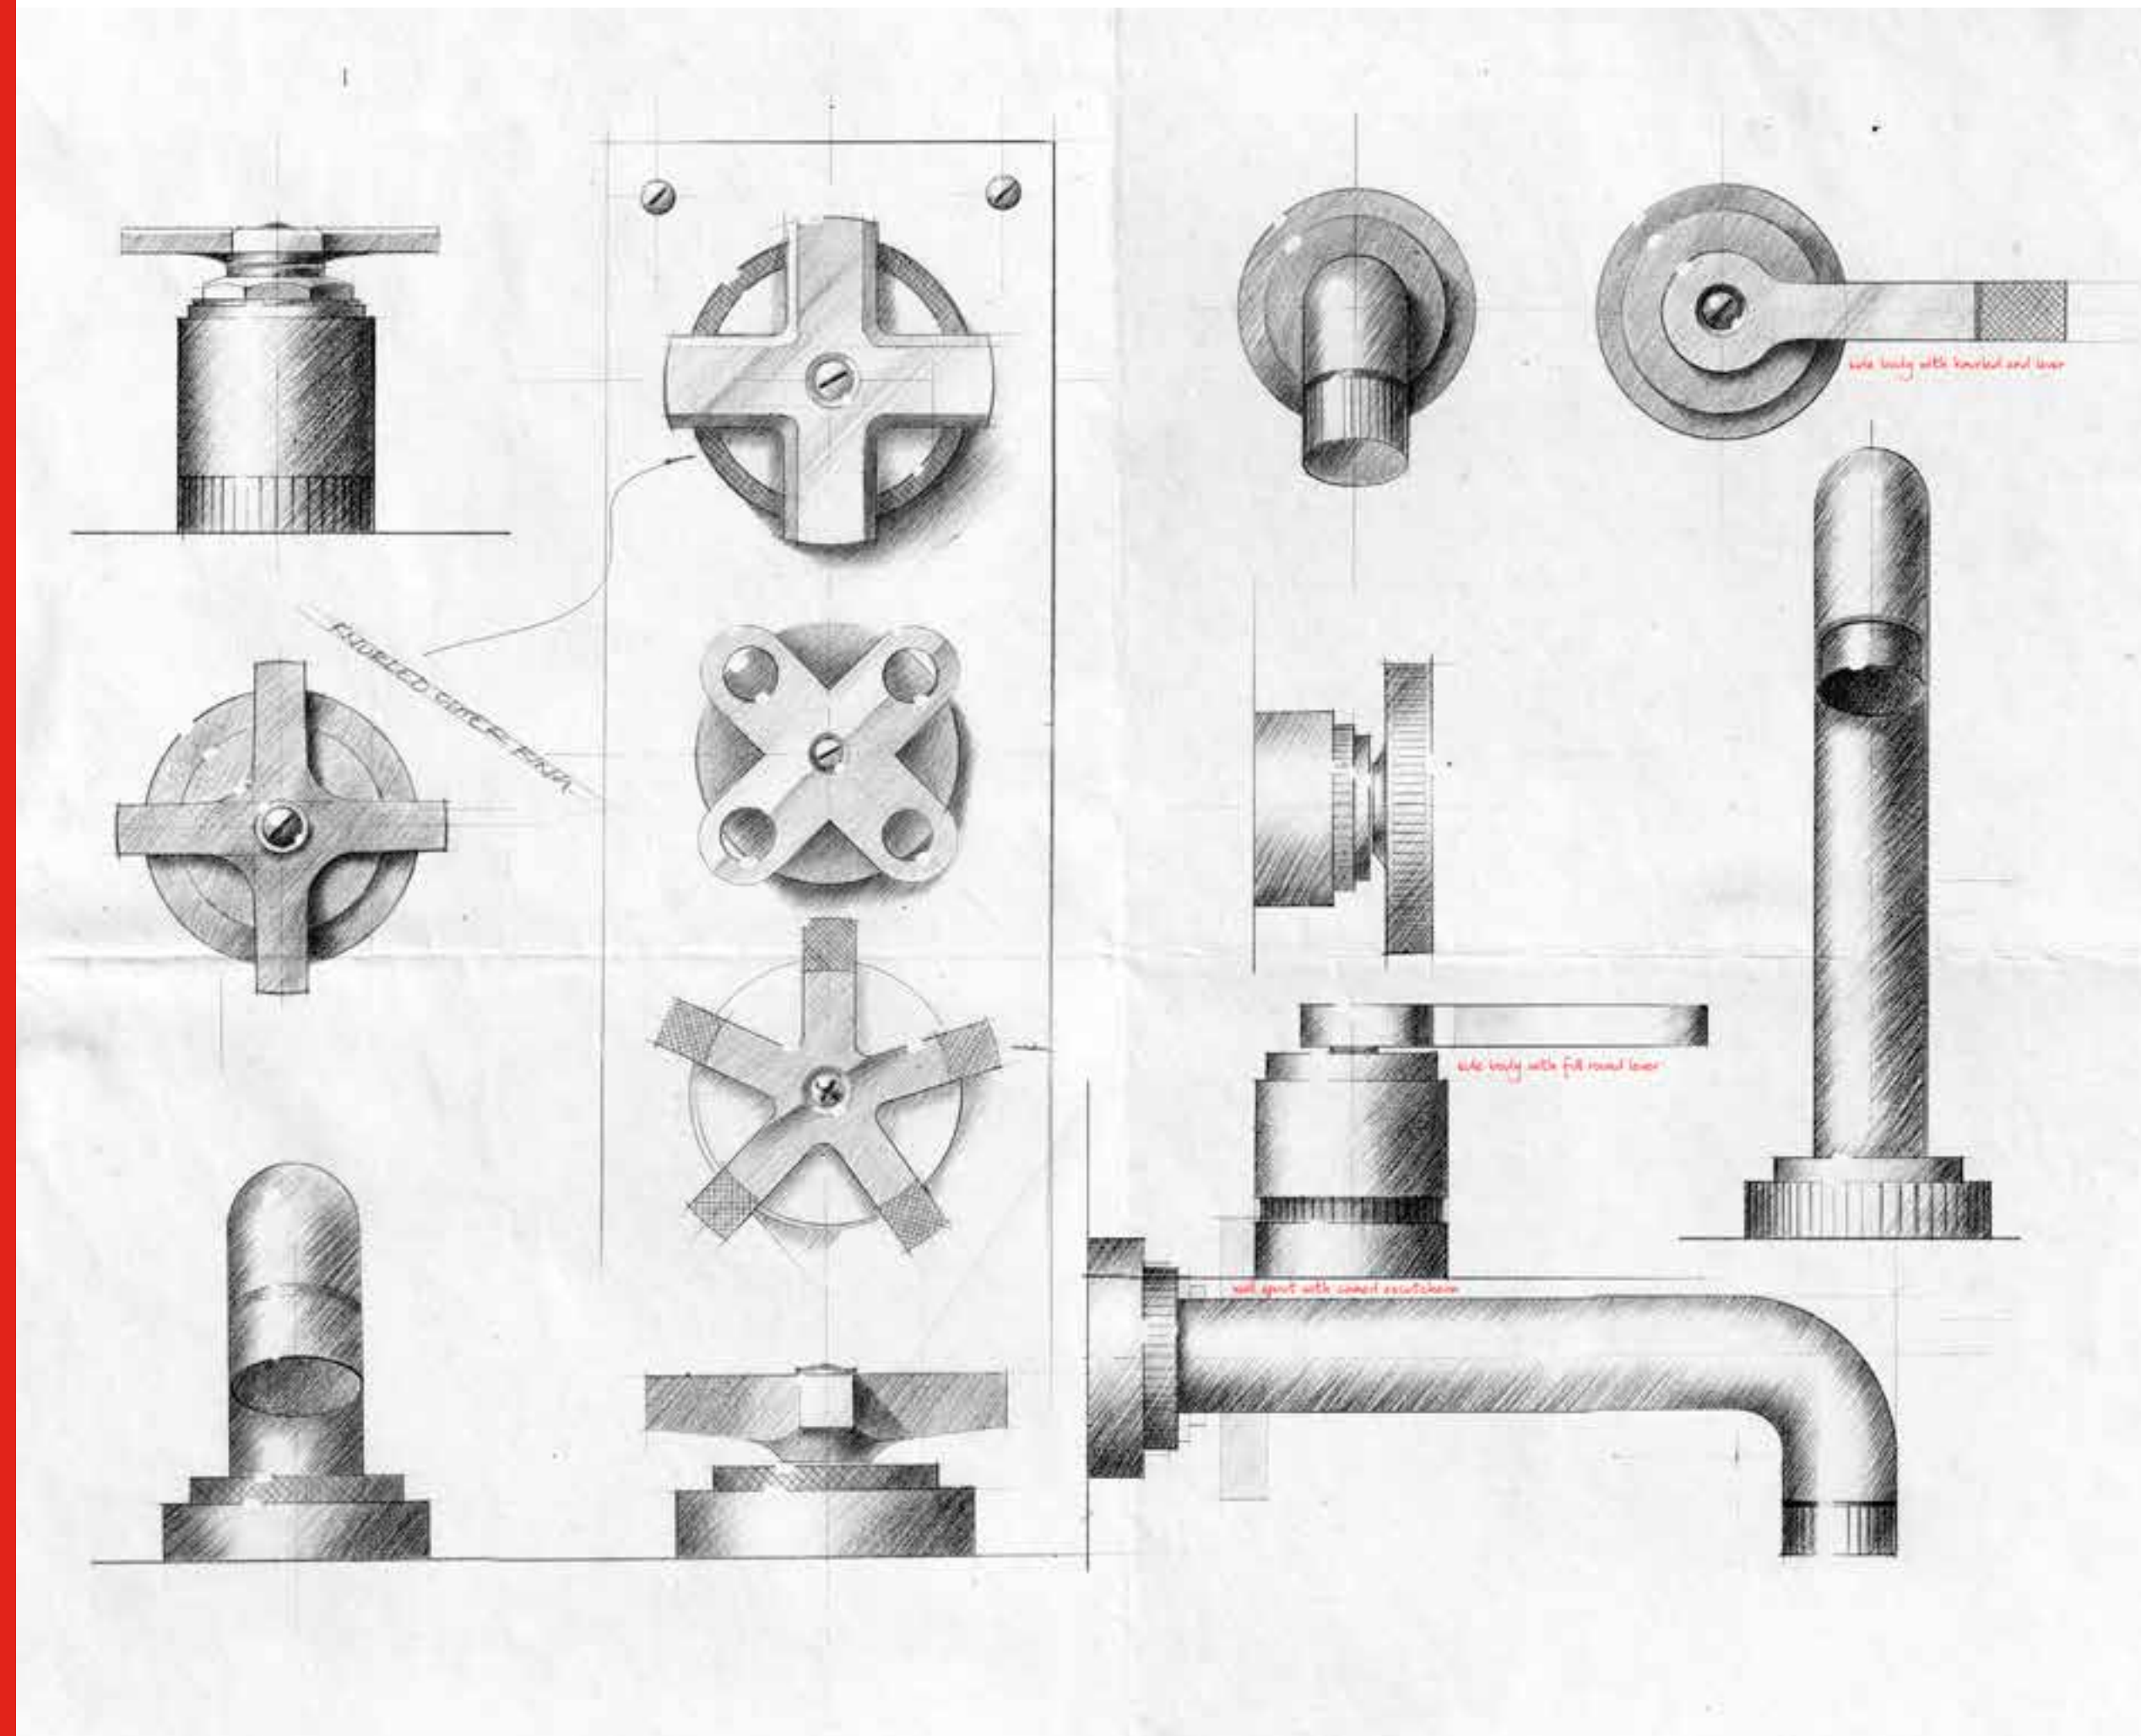

At Samuel Heath we believe in combining knowledge and expertise, honed over time, with contemporary computer-aided design to produce products which are thoroughly researched and skilfully realised. The innovative principles of Bauhaus are reflected in our precision engineering.

Landmark consists of two distinctive collections: **Pure** with its well-balanced, concise and direct lines and **Industrial** with its contemporary, bold and urban styling. Every component is individually engineered and developed by our team of designers. Scale and proportion, functional efficiency and choice of materials are aided by photo-realistic imaging and the latest in rapid prototyping technology.

The result is an authentic reflection of the era but with an individual identity secured by the finest craftsmanship. Bauhaus was about designing a way of living and at Samuel Heath we believe that the impressive performance of a thermostatic shower valve or basin tap and the satisfying proportions of an accessory piece should be daily delights.

Over the course of the following pages this brochure will introduce you to Phase One of our Landmark collection.

We hope you will join us in exploring our most ambitious programme to date.

LANDMARKPURE

MINIMAL EMBELLISHMENT AND A DECEPTIVELY SIMPLISTIC COMPOSITION.

Landmark Pure has overtones of the original Bauhaus aesthetic and builds on the foundations of Samuel Heath's Fairfield and Style Moderne Collections, both of which were inspired by dynamic and hugely influential periods in our cultural and industrial heritage.

Pure does not attempt to be a faithful reproduction of the products of Bauhaus, rather it utilises a design language that evokes the ethos of the period in an authentic manner.

By size and proportion it displays and celebrates elements of its functionality achieved through a harmony of materials, finishes and exquisite detailing. Pure is neutral and balanced with concise and direct lines.

Product 3 Hole Basin Mixer Low Spout
Finish Stainless Steel Finish with Matt Black Chrome

Product 3 Hole Basin Mixer High Spout
Finish Chrome Plate

Product 3 Hole Bath Filler Long Spout
Finish Polished Nickel

LANDMARKPURE

Product Single Control Thermostatic Shower
Finish City Bronze

**"OUR GUIDING PRINCIPLE WAS
THAT DESIGN IS NEITHER AN
INTELLECTUAL NOR A MATERIAL
AFFAIR, BUT SIMPLY AN INTEGRAL
PART OF THE STUFF OF LIFE,
NECESSARY FOR EVERYONE."**

Walter Gropius, Bauhaus founder

LANDMARKINDUSTRIAL

BOLD AND AUTHORITATIVE WITH PRECISELY MACHINED DETAILING.

Much of what is now regarded as contemporary design is rooted in Bauhaus. Landmark Industrial is faithful to the rational functionalism redolent of Bauhaus and a modern interpretation of the values and style of the designs it pioneered.

Perfect function and beautiful form, achieved by the use of the finest materials and a selection of finishes that delight the senses, are also the values embedded in Samuel Heath's long manufacturing tradition.

These core values of acute attention to detail and the use of innovative processes are identified in each expertly manufactured piece of Landmark Industrial. The collection fuses raw with refined in a celebration of contemporary design.

Product Single Lever Basin Mixer
Finish Urban Brass

Product 3 Hole Basin Mixer Medium Spout
Finish Chrome Plate

Product 3 Hole Bath Filler Long Spout
Finish Urban Brass

LANDMARKINDUSTRIAL

Product Twin Control Thermostatic Shower
Finish Stainless Steel Finish with Matt Black Chrome

Phase 1 Collection

Showers

Concealed thermostatic shower valves
1, 2 and 3 controls
Individual flow controls and divertors
Shower heads and handsets
Slider rail kits

Finish Options

Urban Brass
City Bronze
Stainless Steel Finish with Matt Black Chrome
Chrome Plate
Polished Nickel

Basin/Lavatory and Bidet

Single lever deck mount
3 hole deck and wall mount
3 spout heights/lengths

Bath/Tub

Side valves with overflow filler
3 hole deck and wall mount
4 hole deck mount
2 spout heights/lengths

The second phase of our Landmark Collection will be available in early 2017.
