Dimensions

Because each fireclay sink is handcrafted it is unique in size. All nominal dimensions are in mm. Dimensions may vary by +/- 2%. We recommend that upon delivery of your sink and before installation, you take precise measurements before cutting and fitting of worktops or units.

Installation

When installing these products be sure to use the correct legs, brackets and fittings taking into account the weight of the product.

Technical

All sizes are approximate at publication date.

Guarantee

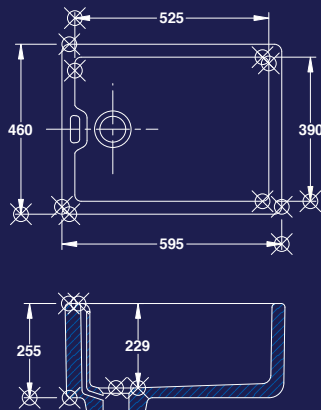

Lecico are dedicated to the needs of our customers, our comprehensive guarantees and customer services go far beyond those normally available.

Descriptions and Specifications

Our policy is one of continued improvement. We therefore reserve the right to alter designs, dimensions and availability without prior notice. All colours and finishes are depicted as accurately as the printing process will allow.
