

# Noticepoint™ Noticeboard

*Impact-resistant, shatter-proof screen.*

*Contemporary silver frame with tough Vandalex coating.*

*Choose between two fixing methods.*

**Noticepoint™ noticeboard is a stylish, versatile and durable noticeboard with an impact-resistant screen. It is ideal for use both indoors and outdoors and is suitable for a variety of displays.**

Noticepoint is supplied with four Infogrip™ strips that are magnetic and easy to position. Infogrip Strips hold notices securely in place - no more pins, pads or tape. The backboard can be used as a dry-wipe whiteboard with temporary markers.

Noticepoint has a shatter-proof screen with a keyed lock to prevent tampering. The door has gas-sprung hinges that will stay open once unlocked, leaving both your hands free to adjust your notices.

Noticepoint is manufactured from durable aluminium with Vandalex®\* coating, which will not rust and never needs painting.

Choose between two fixing methods: wall mounting for indoor or outdoor use, or mounted on concrete-in posts for free-standing outdoor siting.
