

## PERGOLA SMOKING SHELTER

Create a Visual & Functional Outdoor Space

When it comes to designing modern outdoor spaces, small details make a big difference. Our Pergola Smoking Shelter isn't just functional, it's a shelter that elevates your site while delivering user comfort and protection.

With its sleek steel frame, high-quality UV-stable polycarbonate panels, and extensive customisation options, this shelter is designed to integrate seamlessly into any commercial, hospitality, healthcare, or public environment.

Whether you're looking to meet compliance requirements or offer a stylish and weatherproof smoking area, the Pergola Smoking Shelter makes it easy to achieve both form and function.

- › **Steel Framework:** A robust structure built to withstand demanding outdoor conditions
- › **UV Stable Polycarbonate Panel:** Protects users from wind and rain while maintaining clarity and durability under sunlight exposure
- › **Customisable RAL Colour Finishes:** Tailor your shelter to match your branding or architectural colour scheme
- › **Inbuilt Bench Seating Available:** Comfort for users, integrated directly into the design for a seamless look.
- › **Upgrade Options Include:** Glazing or 5mm polycarbonate panels & Integrated guttering and drainage
- › **Made in Britain:** Crafted to the highest standards, supporting local manufacturing and quality assurance
