

ARMOURCOAT®
SURFACE FINISHES

Striated

The Striated finish was designed with high fashion in mind. Emulating raw silk, this natural looking seamless effect is discreet yet luxurious.

The finish works well in a range of earthy tones, but excels in white and off-white shades.

- A natural mineral product created from ultra-fine lime putty, marble powder and special additives.
- Contains 40% pre-consumer recycled marble
- Low VOCs
- Class '0' / 'A' fire-rating
