## GET THE TEMPEST LOOK

The Tempest range is a new offering from the leading manufacturer of GRP building components, Stormking Plastics.

The Tempest range of canopies has been designed to cater to the needs of local authorities and housing associations, for both new build and refurbishment projects. These canopies allow architectural self-expression and can totally transform the front elevation of one building or an entire street scene.

### Why use Tempest and Tempest door canopies:

- Made in the United Kingdom
- ISO 14001 Environmental
- ISO 9001 Management Systems
- Includes all fixings and instructions
- 0.71 Eco-points per ton
- Lightweight, easy to install and virtually maintenance free

### Sustainability:

We only purchase responsibly sourced timber from suppliers registered to a recognised FSC/PEFC scheme
