PRODUCT NUMBER

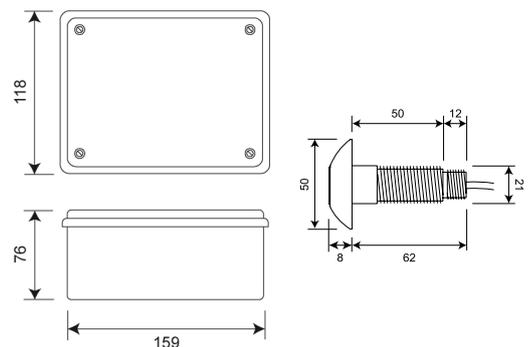

UC07-011

TECHNICAL DATA

Control box material	ABS
Gross weight	1.25 kg
Type of mounting	Wall mounted (pre-drilled holes)
Power source	Mains
Voltage	230V a.c.
IP rating	54
Current	0.055A
Frequency	50Hz
Operation type	Wave-on sensor
Sensor voltage	5V DC
Solenoid valve voltage	12V DC
Solenoid valve power	3W normally closed
Settings	
Adjustable flush duration	1 - 15 secs
Pre-flush & purge facility	ON/OFF (Pre-flush for 1 second) (Purge initiated every 12 hours of non-use)

Kit Contents

UC00-027 X 2 Infrared urinal sensor
