## PLANT MEASUREMENTS

The Vistafolia Hydrangea features highly detailed, lifelike blooms available in Ivory, Pink, and Blue color options. Designed to bring natural elegance to any environment, this artificial hydrangea is suitable for both indoor and outdoor applications.

Measuring approximately 90 cm (2 ft 11 in) in height with a spread of 55 cm (1 ft 9 in), the plant offers an ideal size for versatile placement. Constructed with UV-stabilized materials and tested to relevant ISO standards, the Hydrangea is resistant to fading and fire, ensuring long-lasting durability with minimal maintenance.
