TREE MEASUREMENTS

The Vistafolia® Palm Tree features highly realistic fronds and a detailed trunk, capturing the look and feel of a tropical palm. Perfect for adding a statement of greenery to any space, this artificial palm is suitable for both indoor and outdoor environments.

Measuring approximately 210 cm (9 ft 10 in) in height with a spread of 120 cm (3 ft 11 in), it provides impressive scale and presence. Constructed from UV-stabilized materials and tested to relevant ISO standards, the Palm Tree is resistant to fading and fire, ensuring long-lasting beauty with minimal maintenance.
