

## Landscaping

### Charcon Natural Granite kerb

High levels of performance combine with fine aesthetics to provide long term hard landscaping kerb solutions for a wide range of prestige environments.

- Designed to provide edge restraint in pedestrian and vehicular applications
- Durable and hard wearing for the most demanding environments
- Product imported and stocked nationwide for maximum availability and rapid delivery
- Wide range of colours, textured and finishes
- Colour and size options allow matching to existing designs or innovative bespoke designs.

#### Applications

Natural Granite kerb is designed for a wide range of prestigious environments.

#### Manufacturing standard

Natural Granite kerbs comply with the performance levels in European Standard BS EN 1343.

All Aggregate Industries' products are manufactured in accordance with ISO 9001 with factory compliance to ISO 14001.

#### Performance

**Strength:** The strength requirements are met to the manufacturing standard.

**Slip and skid resistance:** The potential for slip is 'low' in accordance with manufacturing standard.

#### Complementary products

Designed for use with Aggregate Industries granite paving and granite setts.

#### Colour swatch

- 1. Silver Grey  
(All other granite colours are made to order)

## Sustainability and local sourcing

**Energy use:** Aggregate Industries is at the forefront of sustainability and has committed to reduce carbon emissions by 20% by 2016 based on a 2012 base line.

**Recyclable:** 100% of the product can be recycled thus reducing the amount of material that is sent to landfill.

**Manufacturing location:** Produced in China and Portugal.

**Responsible sourcing:** Aggregate Industries is the first company in the world to achieve a BES 6001:2008 Responsible Sourcing Certificate from BRE Global. Products are assessed on:

- quality management
- environmental management
- health and safety management
- greenhouse gas emissions
- minimising raw material usage
- labour practice
- biodiversity
- community engagement.
