

HELO CASE STUDY - BLYTHSWOOD SQUARE HOTEL : GLASGOW

CLIENT: Blythwood Square Hotel
SITE: Glasgow
PROJECT: Spa at Blythwood Square

Helo UK is pleased to announce the completion of a professional Wellness facility for Blythwood Square Hotel: Glasgow.

Standing in the heart of the city, this luxurious 5 Star hotel was once the historic RAC Club. Helo were commissioned to design and install a magnificent spa facility complete with sauna, steam, rhassoul, tepadarium and a cool & contemporary ice fountain.

GENUINE SAUNA & STEAM

BLYTHSWOOD SQUARE HOTEL: GLASGOW

A: Tepadarium:

Complete with luxurious heated loungers, mellow background music and soft mood lighting... you can't fail to feel relaxed in this room!

B: Rhassoul:

This state of the art, fully programmed, treatment room takes the user through the complete cleansing cycle of steam, mud application, drying and showering.

C: Crystal Steam:

At the centre of this stylish mosaic-tiled room is the crystal steam feature with a stunning under-lit quartz sphere. The most sophisticated way to de-stress.

Page 1: Sauna:

There are two sauna experiences to sample at this beautiful spa, one of which features a magnificent glass wall overlooking the calming hydro pool area - one not to be missed.
