TOMORROW'S INSULATION TODAY

ACTIS CASE STUDY 2011

Penrose, Preston

May 2011

Penrose, Preston

Loft Conversion with an under rafter application using 60m² of TRISO-SUPER 10.

Supplied by C & W Berry, Leyland.

Building Control approval granted by JHAi, Wigan.

Installed by Topflite Loft Conversions, 54 – 58 Steeley Lane, Chorley, Lancashire.

Builder found TRISO-SUPER 10 to be clean, quick to use and maintains the valuable headroom.

Topflite would recommend TRISO-SUPER 10 because it is labour saving and it is the only multi-foil accepted as a stand alone product.
