

WASHROOMS

Date Summer 2012

Venue Colour wheel

Timescale 6 Days

Brief To provide a high quality refurbishment of the washroom area suitable for pre-school children that is both safe and easy to use for the children whilst remaining practical, easy to maintain and cost effective for the Nursery.

Specification

- Low-level WC Cubicles
- Corian Vanity Trough with pre-mixed touch sensitive taps
- Bespoke Radiator Cabinet
- Corian Baby Change Unit
- Altro Xpress Lay safety flooring

Design

- Bright and colourful design
- Water and energy saving features
- Low-level WC Pans
- Low-level vanity trough

Installation

- The Nursery is open throughout the year and this is the main washroom, as a result the washroom could not be closed or out of service. All work was done out of opening hours and at weekends
