

Welcome...

As we step over the half way mark of 2012, we are pleased to announce record sales to date in these increasingly difficult economic times. A key part of the company's success is down to the unrivalled level of customer care and 46 years experience in the industry. The full service is offered:- design, manufacture, installation, service, support and refurbishment. Whether your requirement is for thousands of seats into a new build project or a simple staging system to purchase or rent for an event, we have the solution for you; your dream is our mission and we look forward to hearing from you.

London 2012 International Media Centre

Olympic Park Project

Now the most talked about topic worldwide, The International Broadcast Centre will be running 24/7 – bringing the London 2012 Olympic and Paralympics Games to an estimated four billion people. CPS were contracted to undertake the entire main auditorium fit out including construction of main staging and structural flooring systems as pictured above and right.

Additional Vehicles

As the company continues to experience healthy growth, two smaller new vans join the fleet that distribute the company products to ensure 'On-time' service remains our number one priority.

CPS fit out Seating for Northern Ireland Churches and Colleges

Recent projects include the supplying of church auditorium seating and lecture theatre seating for projects in Northern Ireland. Despite extra logistic considerations, all aspects of the projects are running extremely smooth and recent customer feedback reads

Works are progressing really well over here, the seating is looking really good and isn't far off completion.

New Key Member Joins the Team

Marketing executive Mark McCreddie has joined the team and will be working directly under company management. His role will include the planning, implementation and delivering of company strategies to help continue our drive forward. You will be hearing and seeing more from him shortly.
