

An unlimited choice of surface finishes

One of the factors which characterises modern interior design is intelligent space partitioning to create an architectural “choreography” of light and shadow. The partition walls are a significant part of the

whole and, with striking surface contrasts, can play a role in an effective overall presentation.

DORMA Hüppe Variflex further enhances the aesthetic appearance with superior-quality surface finishes. A wide array of materials can be marshalled to create quite stunning visual effects. Materials to choose from include real wood veneers that can be ebonised, waxed, brushed or lime-washed. There are laminates and metallic finishes, granite fabric coverings and stainless steel inserts; acoustic, sheet steel and fibreglass surfaces; glass inserts, mirrors and textile coverings. And many more options besides. Whatever the requirement, we have the surface finish to match. DORMA Hüppe Variflex offers the best solution every time.
